USHJA OUTREACH PROGRAM

Week I: May 25-26
Week II: June 29-30
Week VII: August 31 - September 1

The USHJA Outreach Program is designed to engage and connect riders, trainers and owners with the USHJA by providing the opportunity to participate in USHJA branded classes and earn points toward year-end awards, and the chance to participate in the prestigious USHJA National Championships. Classes are open to Juniors, Amateurs or Professionals on horses or ponies. No cross entry restrictions. Note: Ponies ridden by Amateurs or Professionals may not show in Pony Classes at the same show. Management reserves the right to combine classes as necessary. USEF/USHJA membership is not required to compete in these classes, and horses do not need to be microchipped, but USHJA Membership is needed for points to count toward year-end awards. Membership at the USHJA Outreach level for Riders is free; USHJA Registration for Horses is \$20 per Year, or \$75 for Life. Join at USHJA.org.

This Program will be offered Week I, June 2 & Week VII only.

HITS Saugerties Young Jumper Development Program

HITS is proud to continue a program to encourage and enhance the development of Young Jumpers showing at the HITS Saugerties Series in 2024.

Open to horses 7-years of age and under who have purchased a stall from the horse show. Show in up to three "open" classes at .65m-1.30m with no entry fee!

This program will allow riders and trainers to choose what height, what days, and in what rings their Young Jumpers compete, allowing flexibility and affordability in developing the horses of tomorrow.

Whether you are training for the Child/Adult Jumper at the The League *presented by Marshall & Sterling Insurance*, or the Olympic Games in Paris, Milan or Los Angeles, the HITS Young Jumper Program supports the horses in training, their owners, riders, and the people who care for them.

Here's to the Champions of Tomorrow!

HITS HUDSON VALLEY YOUNG JUMPER DEVELOPMENT PROGRAM

Under this Program, any horse 7-Years Old or under may show in up to three “open” jumper classes at .65m-1.30m, and have the class fees waived for those classes. See details below. This is in addition to the Young Jumper 5-, 6- and 7-Year Old Jumper Classes that are already offered with a free entry fee. Horses will be eligible to receive Prize Money in classes that offer it. Special Classes, Classics, or classes restricted to Juniors or Amateurs are not included in the program. Exception: a class shown “hors concours” will be eligible for the Program, but prize money will not be paid. Hunter and Equitation classes will not count for this program, and will not be credited.

Horses must have their age on file with their USEF/USHJA Registration, declare their age when Registering with USEF/USHJA at the show, or have their age proven by their FEI Passport, Breed Papers or a statement from a licensed Veterinarian on official Letterhead.

Horses must be Declared for the Young Jumper Program at the time of check-in each week, when back numbers are picked up for the show. At checkout,

Exhibitors must review accounts with the Show Office for class credits. Horses will be credited for the class fees for the three lowest priced classes eligible for the program. Example: if the horse shows in three “Non-Nominated” jumper classes, and one “Nominated” jumper class, the three “Non-Nominated” classes will be credited. The Show office is not responsible for credits not issued for horses whose accounts are not closed out in the Show Office, or by email or remote method. Horses not declared for the Young Jumper program at check-in will not be eligible to have their class fees credited.

Horses will be charged for any Stalls, All Inclusive Facility Fee, USEF/USHJA Horse/Drug Fees, Nomination Fees and any other Association Fees (Showpass fees, Horse or Owner/Rider/Trainer Membership fees, etc.), any Feed/Bedding, Paddocks, RV's, Restaurant Charges, and any other Miscellaneous Fees (Shoeing, Vet, Post Entry Fee, etc.), and any entry or nominating fees for classes beyond the three eligible classes showed in.

Horses must purchase a weekly stall from the horseshow to be eligible for this program. Nomination Fees will not be credited.

Any questions or discrepancies not covered herein will be decided by Show Management, its decision to be final. Updates may be made to this policy as needed.

THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE: The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands.
This includes good horse management, training methods, farrier and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete.
This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, CH-1000, Lausanne 5, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English, French, Spanish, German and Arabic. The Code is also available on the FEI's website: www.horsesport.org.

VETERINARY EXAMINATIONS, INSPECTIONS & PASSPORT CONTROLS: The veterinary inspection: will be carried out in accordance with the Veterinary Regulations, Art. 1011, "General Regulations", 21st Edition, 1 January 2005, will apply: In accordance with Art.139.1. Every horse entered for any competition at CNs or CIMs (see Appendix D) in a foreign country, and all horses entered for other CIs, CIOs, Championships, Regional and Olympic Games, whether at home or in foreign countries, must have a valid official FEI Passport, or a National Passport approved by the FEI, accompanied by an FEI Recognition Card, as a means of identification and to establish ownership. In accordance with Art. 139.2. Horses taking part in CNs, and CIMs in their country of residence are not required to have a passport as is mentioned in paragraph 1. All such horses must be properly registered and identifiable by diagram. Unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin, all horses must have a valid vaccination certificate.

EQUINE INFLUENZA VACCINATION, (VET REGS. APPENDIX VI): All horses and ponies for which an FEI Passport or a National Passport approved by the FEI has been issued must have the vaccination section endorsed by a veterinarian stating that it has received two injections for primary vaccination against equine influenza, given between one and three months apart. In addition, a booster injection must be recorded as having been given within each succeeding 6 months +21 days, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding seven days including the day of the competition or of entry into the competition stables. The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

SAMPLING FOR PROHIBITED SUBSTANCES, (VET. REGS, CHAP. V & VI AND ANNEX III): Regular sampling is carried out in CSIs (3*, 4*, 5*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CIs sampling is recommended. The number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate, however a minimum of three is recommended (Art. VR 1016). Special guidelines are applicable for events covered by the FEI Medication Control Programme (Group I & II only).

INSURANCE: All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.
