WELCOME FROM CDS SAN DIEGO!!

Dear Competitors, Owners, Trainers, Sponsors, Families and Friends of CDS San Diego:

CDS San Diego Chapter is thrilled to welcome you all back to Horsepark for our 2024 Road to Championships show on July 18-20, 2024!

We are expecting the largest attendance of any 2024 Southern California show, as this is the last USEF qualifier in Region 7. It will include all USEF Young Horse qualifying classes, as well as the 2024 CDS Regional Adult Amateur Competition and the 2024 CDS Juniors Championships, as well as fun opportunities for sponsorships at all levels!

We are also excited to again offer our INTERNATIONAL PARTY, in which our trainers and their barns decorate and provide food and drinks from the country of their choice. Mary's Tack and Feed will once more sponsor prizes! This is a very competitive party, so get ready with your BEST THEME, BEST FOOD, and BEST DRINK! The party will be Wednesday, July 17, beginning at 5 pm!

CDS San Diego looks forward to seeing you soon and creating unforgettable memories together!

Thank you!

Ellie Hardesty, Shirley Rogozienski, and The CDS San Diego Board

it's a good life

The podcast for entrepreneurs

Brian Buffini and guests talk about growth - growing your business, and personal growth. The show reflects the positivity it takes to be an entrepreneur and supports them from a place of experience.

"We've been there. We know entrepreneurship isn't always an easy life, but with the right guidance, it sure can be a good one!"

Listen in wherever you get your podcasts

HITS Del Mar Horsepark RAAC & SOUTHERN JUNIOR CHAMPIONSHIPS PROGRAM

Del Mar, CA - July 18, 19 & 20, 2024

Welcome Riders, Coaches, Sponsors, and Volunteers to the 2024 Annual CDS Junior/Young Rider Championships!

We are so excited to showcase the hard work and determination of the Junior/Young Rider at our Junior Championship show. We are looking forward to a weekend filled with successful championship rides, team comradery and award ceremonies to celebrate our riders.

Held annually in the northern and southern regions of the California Dressage Society, the championships are specifically held in honor of our youngest members and was the brain-child of CDS Volunteer of the Year Trip Harding and Mary Schrader. The CDS Junior/Young Rider Championship is the largest and longest run show of its type in the nation.

Our CDS Junior/Young Rider programs have a long history of supporting our youth in equestrian sport. Through the Club 100 scholarship program, funds are available for every CDS junior/young rider member. Annually, there are CDS scholarships available for CDS members under 21 years, and we host two regional clinics allowing each CDS chapter to send a junior/young rider representative to an instructional clinic. Scholarship information may be found on the CDS website: California-dressage.org

We are constantly looking to meet the needs of our junior/young rider members including reviewing the traditional elements of a championship show environment. We offer Team competitions to bring a sports team environment to our individual sport! We offer a jog-skills test and freestyle combined with the Championship tests to create an overall level champion. We hope that our junior/young rider competitors will take advantage of these added show components to “test the waters” before moving up to the Region 7 Jr/Yr Team national competition experience.

Please keep up to date on the daily show and show announcements printed and posted outside the show office each day.

Thank you Show Sponsors and Vendors!

Thank you Show Volunteers!

Thank you Trainers and Competitor Families!

Good Luck to our Show Competitors!

Sarah Mosqueda, Jaclyn Pepper, Maya Dalla Valle, Joan Williams and Paula Langan

❤️ WE LOVE OUR CDS SAN DIEGO DONORS ❤️

We are so grateful for our members who selflessly support this chapter!

Our annual donors and show sponsors make amazing shows like Road to Championships possible! Thank you, thank you for every gift, every donation, every sponsorship! You may join our CDS San Diego family of generous donors by contacting **Ellie** or **Shirley** directly, or by clicking [here](#) for information on donations, including class sponsorships to Road to Championships, offered at \$35.00 each. Let's combine our strengths towards our goal of delivering to our community all the showing opportunities, classes and qualifications needed by our members and their horses!

In 1996, Mary Schrader created **Club 100** as a vehicle to create funds for Junior educational endeavors. Her initial thought was to raise \$10,000 annually, which meant one hundred people would donate \$100. At that time CDS had about 4,500 members and it did not seem to be an insurmountable goal to reach 2% of our membership to contribute.

During the past years, we have had riding clinics, programs at the Junior Championships, and offered grants to individual Juniors (a total of \$3,000 per year is available).

Over the years more than 100 people have made donations, but not every year. We have four lifetime members, who donated \$1000 each. All of these donations are very much appreciated, and we hope that next year will be a much better year!

On this page you will find a renewal form for Club 100. Please support education for our Juniors.

36 Years of Junior Young Rider History

Children Are Our Greatest Resources

By Trip Harting – Dressage Letters June 1988

Years ago when I was living in Hawaii, the Board of Governors of the Hawaii Horse Shows Association and the riding community at large faced an almost devastating problem to the future of horseback riding in the islands. There were virtually no young riders competing in the horse shows – despite the fact that my riding school and several others had a large number of children and teenagers as students! If the standard and interest in horseback riding were to grow and continue in the State of Hawaii, something had to be done and quickly.

The problem was quite obvious, as was the solution. At the time, horse show management offered only the usual standard of classes – regular working hunter and the usual equitation classes. Classes were always well filled. The problem was that if a young rider entered any one of these classes, he competed against all the professionals, adults and recent graduates of the equitation division. So why bother? The only classes they had a chance in were the equitation classes for those under 18 and those were always won by the 18 year olds. As a result of this situation, interest in riding and competing waned horribly over the years.

The solution was handled by establishing full-on divisions for children and young riders – classes in which they competed amongst their peers and if they wanted to compete against the adults, they could enter the regular open classes. The results of this decision exceeded everyone's wildest dreams. The Junior Divisions are now hotly contested and the residual effect is being felt in the open classes. These young riders now have the chance to develop their skills and confidence in an environment that encourages growth rather than discourages it.

We, in California, are faced with exactly the same problem. There is absolutely no difference. Just pick up a program to any dressage show or look at your 1988 Omnibus and see how many classes are offered to our children.

If dressage is to continue to grow and develop in the country, it becomes mandatory that we develop and encourage the children of today. How much trouble would it be to offer a second section in all classes for the young riders only? Section A could be open to all riders; section B for young riders only. The extra few dollars it would cost for trophy and ribbons would pale in the long-term end results of such a practice. If worried about the added costs, the section could be sponsored.

Regardless, we have little choice in the matter. If we don't encourage our young riders of today, we will never become a factor in the international scene – pure and simple.

We of the dressage community must offer classes at all levels open strictly to those under 18. It is not enough to offer only the official Young Rider Tests, although this helps. We must develop the skills at an early age and that begins with a few children riding against each other at Training Level Test One and continues through each level over the years to competing against each other at the Grand Prix in the Olympic Games.

The kids are out there – in the Pony Clubs, on the Eventing circuit and riding over tiny courses in the hunter/jumper shows. Dressage competitions are run by adults and are sponsored by adults for adults. But this is not and cannot afford to be strictly an adult sport.

I believe that CDS has an obligation to the dressage community to offer, promote and develop a strong and active young rider division. This could be done by offering a Young Rider Championship with qualifying classes exactly as they are offered to the adults. This would encourage show management to offer these classes in their shows and would ultimately play an enormous role in developing the future of the sport. To do anything less would be criminal.

The first Junior / Young Rider Championship was offered 32 years ago in 1989.
