### 740. \$5,000 USHJA Hunter Team Challenge

**Entry Fee** \$200 + \$75 USHJA Fee  
does not include respective division fee

#### CONDITIONS & SPECIFICATIONS

**ELIGIBILITY:** Open to riders competing in the 2'-2'6" Children's Pony Hunters, 2'6" Low Child/Adult Hunters and 3' Children's/Adult Amateur Hunter divisions. There are no qualifying procedures, but riders must meet the eligibility requirements listed in the specifications. Riders must pre-enter with the horse show. Sixteen riders in each of the three sections (Children's Pony, Low Child/Adult and Children's/Adult Amateur) will be accepted on a first come, first served basis for a total of 48 riders participating in the Hunter Team Challenge. **If the quota of 48 riders is not met, riders may enter multiple horses, but must be assigned to a different team.** Riders who participate in the Hunter Team Challenge have an opportunity to earn bonus Zone Horse of the Year Points in their respective divisions.

The Hunter Team Challenge is held as an overlay with the first day of the respective division. Riders must enter the Division and Team Challenge to be eligible.

**RIDER MEETING:** To be held the day before the start of the Team Challenge. The meeting will include an overview of the rules, scoring, and the distribution of team materials.

**The Hunter Team Challenge will take place over two competitive days.**

**Day One** HTC classes will run concurrently with the horse show's regular division classes as an overlay.

**Day Two** Under saddle will be held at the start of Day Two. Each height section will have their own under saddle class: 3' Children's and Adult Amateur, 2'6" Low Child and Adult, and Children's Pony.

**FINAL ROUND:** Will be held immediately following the under saddle on Day 2. All teams will return for a final Classic-style over fences round. The Final Round will receive Ribbons 1st-8th, and the highest scoring rider from the Final Round will receive a trophy. Overall HTC team award presentations to follow the individual placings from the final classic round.

**TEAMS:** are comprised of a minimum of three and maximum of four riders and determined by a random draw after entries close, and prior to the rider meeting. Each team will have one rider from each height section (one 3' Child or Adult, one 2'6" Child or Adult, and one 2'-2'6" Pony) until all teams possible have one rider of each section. All remaining riders will be randomly drawn to a team. A maximum of 12 total teams are possible.

**SCORING:** Riders will receive a numerical score 0- 100 from the two over fences rounds in their regular division classes on Day One. On Day Two Riders will receive a numerical score from their respective under saddle classes. Individual's scores from those three classes will be added for an Overall score that is added to their Team's score.

Team scores are calculated by adding each team member's Overall scores. Three-member teams will double their second lowest Overall score. In each phase from Day One and the Day Two Under saddle, the lowest score will be dropped.

All riders following the under saddle on Day Two will return to the Final Round. Each rider will receive a numerical score 0-100 for their placing in the round. The highest scored rider in each Team's Final Round will count their score for the Final Team Score. All other scores will be dropped.

No points are awarded for an obstacle knocked down. Each competitor has 45 (minimum) to 90 seconds (maximum). During this time, rider must cross the starting line in either direction and may jump all the obstacles they wish in any order and in any direction. Sounding the horn declares the end of the round. The competitor must then cross the finish line in any direction for the time to be recorded. The competitor will then be allotted 20 seconds to jump the optional Joker Jump one time for a plus (clear) or minus (knock down) of 200 points. The competitor who obtains the greatest number of points will be the winner. In the event of a tie in points, the fastest time taken between the starting line and the finish line will be decided. In the event of a tie in points and time for first place, there will be a jump-off according to the same formula with a fixed time of 40 seconds.

If one competitor enters the other competitor's course and as a result interferes with that competitor, the competitor responsible for the interference will be eliminated.

b. In each round in the case of a first refusal with or without a knock-down the competitor will continue their round without jumping that obstacle or waiting until it has been rebuilt, however 3 seconds will be added to their time. The second refusal will eliminate a competitor. A competitor passing an obstacle without attempting to jump it will be eliminated.
