# USHJA OUTREACH PROGRAM

**Week I:** May 25-26  
**Week II:** June 29-30  
**Week VII:** Aug 31 - Sept 1

USHJA

The USHJA Outreach Program is designed to engage and connect riders, trainers and owners with the USHJA by providing the opportunity to participate in USHJA branded classes and earn points toward year-end awards, and the chance to participate in the prestigious USHJA National Championships. Classes are open to Juniors, Amateurs or Professionals on horses or ponies. No cross entry restrictions. Note: Ponies ridden by Amateurs or Professionals may not show in Pony Classes at the same show. Management reserves the right to combine classes as necessary. USEF/USHJA membership is not required to compete in these classes, and horses do not need to be microchipped, but USHJA Membership is needed for points to count toward year-end awards. Membership at the USHJA Outreach level for Riders is free; USHJA Registration for Horses is \$20 per Year, or \$75 for Life. Join at USHJA.org.

*This Program will be offered Week I, June 2 & Week VII only.*

NY HORSE & PONY - WEEK VI  
July 31 - August 4

## 740. \$5,000 USHJA Hunter Team Challenge

*Does not include respective Division Fee*

Entry Fee \$200 + \$75 USHJA Fee

### CONDITIONS & SPECIFICATIONS

**ELIGIBILITY:** Open to riders competing in the 2'-2'6" Children's Pony Hunters, 2'6" Low Child/Adult Hunters and 3' Children's/Adult Amateur Hunter divisions. There are no qualifying procedures, but riders must meet the eligibility requirements listed in the specifications. Riders must pre-enter with the horse show. Sixteen riders in each of the three sections (Children's Pony, Low Child/Adult and Children's/Adult Amateur) will be accepted on a first come, first served basis for a total of 48 riders participating in the HTC. **If the quota of 48 riders is not met, riders may enter multiple horses, but must be assigned to a different team.** Riders who participate in the Hunter Team Challenge have an opportunity to earn bonus Zone Horse of the Year Points in their respective divisions.

The Hunter Team Challenge is held as an overlay with the first day of the respective division. Riders must enter the Division and Team Challenge to be eligible.

The Hunter Team Challenge will take place over two competitive days, Saturday August 3rd & Sunday August 4th.

- **Rider Meeting:** To be held the day before the start of the Team Challenge. The meeting will include an overview of the rules, scoring, and the distribution of team materials.
- **Day 1:** HTC classes will run concurrently with the horse show's regular division classes as an overlay.
- **Day 2:** Under saddle will be held at the start of Day 2. Each height section will have their own under saddle class: 3' Children's and Adult Amateur, 2'6" Low Child and Adult, and Children's Pony.
- **Final Round:** Will be held immediately following the under saddle on Day 2. All teams will return for a final Classic-style over fences round. The Final Round will receive Ribbons 1st-8th, and the highest scoring rider from the Final Round will receive a trophy. Overall HTC team award presentations to follow the individual placings from the final classic round.

**TEAMS:** Teams are comprised of a minimum of three and maximum of four riders and determined by a random draw after entries close, and prior to the rider meeting. Each team will have one rider from each height section (one 3' Child or Adult, one 2'6" Child or Adult, and one 2'-2'6" Pony) until all teams possible have one rider of each section. All remaining riders will be randomly drawn to a team. A maximum of 12 total teams are possible.

**SCORING:** Riders will receive a numerical score 0-100 from the two over fences rounds in their regular division classes on Day 1. On Day 2 Riders will receive a numerical score from their respective under saddle classes. Individual's scores from those three classes will be added for an Overall score that is added to their Team's score.

Team scores are calculated by adding each team member's Overall scores. Three-member teams will double their second lowest Overall score. In each phase from Day 1 and the Day 2 Undersaddle, the lowest score will be dropped.

All riders following the under saddle on Day 2 will return to the Final Round. Each rider will receive a numerical score 0-100 for their placing in the round. The highest scored rider in each Team's Final Round will count their score for the Final Team Score. All other scores will be dropped.

The Overall Team Champion is the team with the highest overall score from Day 1, Day 2, and the Final Round. Overall Team Ribbons to 12th.

# HITS Saugerties Young Jumper Development Program

**HITS is proud to continue a program to encourage and enhance the development of Young Jumpers showing at the HITS Saugerties Series in 2024.**

Open to horses 7-years of age and under who have purchased a stall from the horse show. Show in up to three "open" classes at .65m-1.30m with no entry fee!

This program will allow riders and trainers to choose what height, what days, and in what rings their Young Jumpers compete, allowing flexibility and affordability in developing the horses of tomorrow.

Whether you are training for the Child/Adult Jumper at the The League *presented by Marshall & Sterling Insurance*, or the Olympic Games in Paris, Milan or Los Angeles, the HITS Young Jumper Program supports the horses in training, their owners, riders, and the people who care for them.

**Here's to the Champions of Tomorrow!**

2. Horses and competitors must be fit, competent and in good health before they are allowed to compete.  
This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.

Unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin, all horses must have a valid vaccination certificate.

**EQUINE INFLUENZA VACCINATION, (VET REGS. APPENDIX VI):** All horses and ponies for which an FEI Passport or a National Passport approved by the FEI has been issued must have the vaccination section endorsed by a veterinarian stating that it has received two injections for primary vaccination against equine influenza, given between one and three months apart. In addition, a booster injection must be recorded as having been given within each succeeding 6 months +21 days, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding seven days including the day of the competition or of entry into the competition stables. The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

**SAMPLING FOR PROHIBITED SUBSTANCES, (VET. REGS, CHAP. V & VI AND ANNEX III):** Regular sampling is carried out in CSIs (3\*, 4\*, 5\*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CIs sampling is recommended. The number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate, however a minimum of three is recommended (Art. VR 1016). Special guidelines are applicable for events covered by the FEI Medication Control Programme (Group I & II only).

**INSURANCE:** All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.

**FEI VETERINARIAN:** Dr. Mike Tomlinson (IV& VI), Dr. Ken Marcella (V), TBA (VIII)
