Dear Exhibitors, Spectators, Vendors, and Partners,

It is with great anticipation that we welcome you to the 76th Annual Del Mar National Horse Show Dressage Week! We are proud to continue the traditions of this nationally recognized event in celebration of excellence in equestrian sports and decades of heritage.

The Del Mar National is designated as a USEF Heritage Competition, an honor reserved for competitions with long-term establishment that have played a key role in advancing the sport by promoting equestrian values of sportsmanship and competition within the community. HITS Del Mar has the privilege of continuing the legacy of the Del Mar National Horse Show at our Horse Park venue.

The 2025 Del Mar National Horse Show is a CDI 3* internationally rated competition allowing riders and horses a vital platform to progress towards National and International Championships. It is also one of the prestigious USEF Open qualifiers. The series of qualifiers will culminate in the US OPEN \$250,000 Final in November 2025. The National part of this competition is a USEF Level 5 Qualifier, also helping riders towards their goals of National Championships. We are starting to bring back the beloved Sweepstakes Classes where national riders get the opportunity to win cash!

To our exhibitors, thank you for bringing your talent, hard work, and dedication to the dressage arena. To our partners and spectators, thank you for your support and appreciation for this sport. To our vendors, your contributions enhance the experience and create an engaging environment for all to enjoy

Thank you for being a part of Dressage Week at the 76th Annual Del Mar National Horse Show. Together, let's create an event to remember!

Warm regards,

Kim Keenan Stordahl & Cameron Wyman

RUBINO BELLISSIMO TROPHY

Presented In the CDI Intermediate I Freestyle in memory of the great Hanoverian stallion Rubino Bellissimo (1996-2014)

This exquisite Murano Glass sculpture was first awarded in 2015, donated by the San Diego Saddle Club, Holly Bergay, and Violet Jen of Wonderful Sport Horses.

It honors a remarkable stallion, owned by Jen and ridden by Bergay. After national recognition in both able-bodied and Para competitions, he gave his final performance at the 2014 Del Mar National in Saturday night's Intermediaire Freestyle. Sadly, the stallion died of a rare form of cancer during the 2014 National Championships.

TWO DANCERS PERPETUAL TROPHY

Presented by g-2 software, inc. – founder: Georgia Griffiths

The annual CDI Grand Prix Musical Freestyle “Two Dancers Perpetual Trophy” was first presented at the Del Mar National Horse Show in 2011.

Created by Georgia Griffiths and sponsored by the firm she founded in 1989, G2 Software Systems, Inc., “The Two Dancers Perpetual Trophy” was named in honor of Griffiths’ two beloved show horses, “Dancing Queen” and “Petit Danseur”, musical freestyle champions in their own right.

Texas sculptor, Olva Stewart Pharo, designed and forged the trophy as well as the keepsake individual plaques for each year’s winner.

THE HAP HANSEN PERPETUAL TROPHY - *Donated by Richard & Jane Brown*

The “Juniperus” (horse head sculpture in bronze), became the Hap Hansen Perpetual Trophy, in honor of Hansen, the horse’s owner and rider. In Hap’s legendary career, he has brilliantly competed in all four disciplines, Hunt Seat, Western, Saddle Seat & Dressage.

Hansen and Juniperus were successful fixtures on Grand Prix Jumping circuit, winning multiple National and International titles. Hansen, still on the jumper circuit has over 100 total Grand Prix victories.

Testing the theory that a great athlete is a great athlete, he prepared and competed in the Intermediate I Freestyle at Del Mar and won. The trophy, an exquisite bronze head of that mount, was created by the renowned Equine artist Donald R. Schwartz (1931-2010) and donated by Richard and Jane Brown, owners of multiple National and International Dressage Champions, in honor of such a grand crossover achievement.

1. Take two daily temperature readings for every Horse that will be present at an FEI Event for the three days leading up to the day of arrival and enter these recordings in the FEI HorseApp. For clarification, the three days prior to your arrival at the FEI Event are calculated as per this example: If you plan to arrive at the Event on the Thursday, you will have to enter the temperatures for the three preceding days, which are Monday, Tuesday and Wednesday. To avoid violating the Horse Health Requirements, temperatures should be entered on a regular/daily basis
2. Fill in a Horse Health FEI Self-Certification form for all Horses attending an FEI Event. To be filled in and submitted via the FEI HorseApp the day before or the day of arrival at an FEI Event
3. Take the temperature of each Horse twice a day at the FEI Event using your own thermometer and record the measurements directly in the FEI HorseApp.

Access to the FEI HorseApp is also available for your Grooms and Support Personnel so they can also enter the daily temperature recordings of your Horses. They can connect to the FEI HorseApp with their FEI ID number. If they do not yet have a FEI ID number they can create one here.

Non-compliance with the FEI Veterinary Regulations and Horse Health Requirements will result in sanctions. These sanctions are already in force for Horses competing at FEI Events in Mainland Europe and will be introduced worldwide in due course. Support & Guidelines All information regarding the FEI HorseApp can be found here. You will need to log in to the FEI HorseApp with your FEI ID number and password.

Guidelines on how to use the FEI HorseApp to fulfil the Horse Health Requirements can be found here. The Horse Health Requirements can be found here, with a specific section for Athletes and Grooms. If you have any questions or require any assistance, please don't hesitate to contact us by email at USERSupport@FEI.org

The Degree of Difficulty (DOD) – Floorplan for the Grand Prix Freestyle will be used at both Dressage Opener and Dressage Affaire. Athletes are required to login using their own credentials on to <http://DressageFreestyle.FEI.org> to create or assign their Grand Prix Freestyle floorplan at the latest 2 hours prior to the horse inspection.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training, and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

GENERAL CONDITIONS

USEF ENTRY AGREEMENT: These competitions are governed and approved by the United States Equestrian Federation. Every class offered herein which is covered by the rules and specifications of the current USEF Rule Book will be conducted and judged in accordance therewith. To the extent there is a conflict between the prize list and the USEF rules, USEF rules will prevail.

USEF WAIVER AND RELEASE OF LIABILITY, ASSUMPTION OF RISK & INDEMNITY AGREEMENT: Effective immediately, all individuals on the property will be required to sign the USEF Waiver and Release of Liability, Assumption of Risk and Indemnity Agreement. The Agreement will be available on our website (HITSDeiMar.com) and can be executed and signed electronically.

By entering a Federation Licensed Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Bylaws and Rules of The United States Equestrian Federation, Inc. (the "Federation"). I agree to be bound by the Bylaws and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/ or the competition may use or assign photographs, videos, audios, cablecasts, broadcasts, internet, film, new media, or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport, or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation rules are governed by the laws of the State of California, and any action instituted against the Federation must be filed in California State. See GR 908.4. The Horse Show Committee reserves the right to itself to interpret all questions and conditions in regard to or arising out of, or incident to the show without claims for damages or recourse of any kind. All questions not covered in these Rules and Regulations shall be decided by the Horse Show Management; its decision to be final. The Horse Show Management reserves to itself the right to limit entries in any class, section or division, to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit exhibition of entries, and cancel award prizes, without any claim for damages; to change any course, to add a dotted line, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate judges. Every horse entered herein for competition will be under the control of the Horse Show Management, but the Show Management will in no case be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall hold the horse show and the officials, employees, directors, officers, sponsoring entities of the horse show and the facilities at which the horse show is held blameless for any loss or accident to his horse(s), employee(s), or equipment which may occur from sickness, fire or other cause. Every class offered herein which is covered by the rules and specifications of the current USEF Rule Book will be conducted and judged in accordance therewith.

MANAGEMENT: Horse Show Management reserves the right to interpret all questions and conditions in regard to or arising out of an incident to the show without claims for damages or recourse of any kind. All questions not covered in these Rules and Regulations shall be decided by Horse Show Management- their decision to be final. Horse Show Management reserves the right to refuse, accept conditionally or to cancel any entries, disqualify riders or exhibitors, prohibit exhibition of entries and cancel award prizes, without claim for damages; to change any course, to cancel or combine any unfilled classes, or to reschedule classes, after due notice to exhibitors; to change rings or rotate or change judges and officials; to change specifications in jumper classes in order to facilitate the time schedule. Management reserves the right to combine or cancel. Management reserves the right to limit entries in a class. Refused entries will be returned.

"EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT FEDERATION RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH."

All questions not covered in these rules and regulations shall be decided by the Show Management whose decision shall be final.

ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Loungeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank, or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot or push a person-all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse-a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/ roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads or driveways that are traversed by cars, golf carts, tractors, trailers, and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facility.

WARNING: Under the Equine Activity Liability Act, each participant who participates in an equine activity expressly assumes the risks of engaging in and legal responsibility for injury, loss, or damage to person or property resulting from the risk of equine activities.

CONDITIONS OF ENTRY: Every horse entered for competition will be under the control of the Horse Show Management, but Horse Show Management will, in no case, be responsible for any loss or damage that may occur, and it shall be a condition of entry that each exhibitor shall defend, indemnify and hold harmless the Horse Show and its officials, employees, directors, officers, West Palms Event Management, HITS LLC and its Sponsors, etc for any loss or accident to his horse, horses, employees or equipment which may occur from sickness, fire or other cause.

RESPONSIBILITY OF PAYMENT OF SERVICES & SUPPLIES: All owners and exhibitors will be held responsible for any damage incurred by them, their animals, agents, or employees, to stalls, buildings and other properties on the Show grounds and shall be billed accordingly. Any exhibitor not meeting their obligations to the official Show Veterinarian, farrier and feed/bedding vendor will be termed an undesirable exhibitor and entries from that exhibitor may not be accepted at subsequent shows.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
